## ***Hi !!!!***

Welcome to another issue of your fave magazine, K.M. To start, many of you have asked how the change from issue to volume works. Well, KM comes out 4 times a year, so each year of issues is a volume. i.e. every 4 issues is a volume. However as issue 1 was done by hand and is a different format, we left that as a full volume. To make up for this, Volume 2 only has 3 issues (2,3, and 4). From issue 5 onwards (which will be the start of volume 3), every 4 issues is a volume.

A new feature in this issue is 'How to make'....

New members this issue include Jason Balaban and Richard Churnick

Originally, membership cards were supposed to be attached below, but these were postponed until a later issue.

Enjoy this issue,

*Anton Benson*

  1. KNIGHTMARE
- 

Dear *Anton* (at KM),

I like the Knightmare magazine very much. I have been reading it all night. I also have some slight complaints that I hope you will fix for me.

- 1) Spelling mistakes, (click spell check on the word processing package).
- 2) You have spelt my name wrong, it's *RICHARD RAPPAPORT*, not *RAPPERPORT*
- 3) The cartoon strips are hard to read.

*Richard.*

Dear *Richard*,

Here are some answers:

1) (*Anton*) - Blame Mark Berry, he does the computer and printing side. I'll pass the blame on for you.

(*Mark*) - Richard, you try to keep up with 3-4 subjects a night plus Nightmare on top, also I have to catch a bus at 7:20am. You can do it if you want!!!!

2) (*Anton*) - Sorry Richard

3) (*Anton*) - This was a standard complaint. It has now been put right.

*Mark Berry*

Dear KM,

I have a slight complaint (*Anton* - not another one). When people enter competitions they should get better prizes, chocolate (*Mark* - good choice of prize Matthew) and stuff.

If we all pitch in and give 25p to KM, we would have over £4 for better prizes.

*Matthew Mickler.*

Dear *Matthew*,

Sorry I couldn't print the whole of your letter (*Mark* - Who *Anton*). The trouble is not everyone is as willing as you to pay. But, if people agree, they can 'letter' me know, and I'll improve the prizes and if I can, the mag itself.

Thanks for the letter

*Anton Benson*

### *Membership Packs*

Membership packs will be available at the same time as issue 5. They will cost about 50p and will be crammed full of your favourite Nightmare goodies.

MORE DETAILS SOON....

*New Complaints Column starts next volume!!!!*

## The Great Story Strip

4 from Bournemouth tread the path through dungeons deep and  
caverns dark.

Ben, Paul and Nathan too guide Dave on his quest below.

The crowns their quest and fear's their foe.

Will they succeed? Read on and know !!

“Greetings friends” said the Monk “do not be alarmed, I come with greetings also come with the spyglass which you may have for a small price.” Dave is told by his advisers to tell the monk that he has no money or other objects. “I see,” Replies Brother Strange, the monk that Dave has encountered. “That matters not, for I seek a proverb, a new one for my collection.”

Dave tries by saying “a rolling stone gathers no moss,” and “Don’t count your chickens before they are hatched,” but brother strange has both. Dave is then advised by Paul to try “A Silver cloud has no lining”. Luckily brother Strange hasn’t got that one and is quite happy to have acquired a proverb, and also to have got rid of a piece of equipment for spying on Lord Fear, the leader of the opposition.

“Travel in piece” brother Strange exclaims as he hurries off. As you hear a goblin horn in the distance you decide to the spyglass to look at later.

You hurry through the portal into the next room. It is an open market, probably Grimsdale. Quite luckily there is an unattended stall which Dave makes his way to. On arriving he finds a bunch of grapes, a scroll, a bar of gold, a key and a firestone.

Stiff paper and pens

### LiSsArD's PrOfiLE

Name : Lissard  
Age : 33  
occupation : helping his Lordness  
Health : 4 out of 10  
Home : Marble head castle (with his Lordness)  
Passed home : Atlantis

Why he left his old home:

Atlantis sunk, and Lissard along with the Brolichan were pulled to safety by Lord Fear, for bad uses. Grimoldine is out to retrieve the Brolichan and turn him to good.

Distinguishing feature : Breath smells of tuna

Why he always adds 'ness' to the end of his words : We are told that Lissard has a nasty lispness, (oh no, he's got me at it now) even though he spent much money on elecution lessons.

## **NEW FEATURE**

### *Aesandre's diary!!*

Each issue we'll have a diary entry from the evil snow queen  
Aesandre.

*16th Nov*

"I can't believe they all fall for it! HA HA! they honestly believe that there is a vital object on the bridge for taking. As soon as they are on the bridge 'SNAP' and the bridge crumbles at the mercy of those pesky dungeoneers.

And now to set more plans out. It can't be everyday I get one to fall into (or off) the bridge, eh I mean my trap like that. Wait I shouldn't be writing this, what if someone reads. Who cares. I'm an ice queen. I'll just freeze them like I did with Lord Fear and

the dungeon once, but that's another story.

### **Lissard's Horoscopes**

Lissard serves up some more hilarious horoscopes for all you star sign readers. Lissard wants everyone to know that his star sign is Leo. He says that suits him because Leo is a lion and lions are ferocious like him.
