## HI

Welcome to another cram packed issue of K.M. This issue is bigger and better with 9 pages.

Also I hope you like your free gifts of a 20p off merchandise voucher (*not available for the internet version*) and the competition booklet. This booklet is instead of the two competitions planned for this issue.

And that's not all, if you look through the pages of this issues K.M. you'll find the

results of the questionnaire, not to mention all the club members names printed on one of the great pages towards the back of this issue.

Lastly let me say that this issue is your last chance to order the majority of the merchandise. Although a few basic items like books and posters may still be available.

Enjoy the issue

*Anton Benson*

## **TQ Space.... This issue we have a dungeon rap**

You'll know this rap is really good  
'S got everything a brill rap should  
It's all about that KNIGHTMARE show  
Off adventuring we must go

You've stated now, no turning back  
You've got the helmet and knapsack  
Cross the causeway of earth and fire  
To reach the object you require

You could take the sword or shield  
if you wander wood and field  
Reach out for the crown or cup  
Goblins coming hurry up

Keep out the way of rude Elita  
Your better off if you don't meet 'er  
She has the password to level two  
but she'll insult you till your through

Don't annoy old Smirkenoff  
He'll burn you up with on small cough  
If you ride this scaley beast  
You'll find out that your gold's decreased

If you meet Julius Scaramonger  
You won't have your dosh much longer  
Don't buy or sell with too much haste  
You haven't any gold to waste

Aesandre is a sorceress  
For dungeoneers she couldn't care less  
She love the world of snow and ice  
I wouldn't say that she's to nice

Now, old Hordriss is a wizard  
He'll help stop Aesandre's blizzard  
If you please him who can tell?  
You might just end up in a spell!

If your a dungeoneer  
You'd better watch Out for Lord Fear  
Your life force isn't at its best  
One slip could mean the end if your quest

On our wits you must depend  
Not many make it to the end  
This is the best show on TV  
All the fan club will agree

It sends a shiver down my spine  
I can't wait till the turn of time!

Rap by Clare Coley of Chesterton in Staffordshire, 'The Quest' - Vol. 1, Issue 3

## Majida's Mail

The winner of issue 2's word search competition is KEVIN SUTTON. He should have received his prize of Knightmare goodies by now.

Kevin who isn't a great Knightmare fan sent in a daft joke below.

Q. What do you get if you cross Lord Fear with a dungeoneer?

A. A black eye!!

Antony Venet sent in the drawing of Lord Fear below.

He also sent in Kersplat who he thinks would make a good new Knightmare character.

[Picture would not scan in properly - Sorry!]

Here is a Knightmare joke, which I just had to put in this issue.

Q. What is Pickles middle name

A. Lille of course

A question I forgot to put in last issues questionnaire was this.

Would you like a general mag to go out to club members as well as Knightmare mag?

Let me know. First one out the hat wins a Smirkenoff poster.

### LISSARD'S HOROSCOPES

**VIRGO August 24 - September 23....** Don't let the bad weather let you down. If it's raining cats and dogs, look on the bright side. Hailing a taxi is much worst.

**LIBRE September 24 - October 23....** This months an excellent time for you to take up a new hobby. How about stamp collecting? You can always give it up if you can't stick to it.

**SCORPIO October 24 - November 22....** Do things differently this month. It's wonderful to be alive. See the sun rise. Do not be put off by people saying they've seen the kitchen sink.

**SAGITTARIUS November 23 - December 22....** You're a lively, friendly person, and you like to receive a warm reception wherever you go. Why not join the fire brigade?

**CAPRICORN December 23 - January 20....** You need to think of yourself a little bit more. If you're feeling sick and dizzy, spend less time doing good turns.

**AQUARIUS January 21 - February 19....** A terrible thing might happen to you this month: for example, you might swallow your pen; so just in case keep a spare one handy!

**PISCES February 20 - March 20....** Try not to be so pessimistic. Remember, if things go wrong there's always something you can count on - your fingers!!

**ARIES March 21 - April 20....** If you are feeling lethargic and out of condition, this is a good time to take up a new sport. Why not try football? You should get a kick out of it.

**TAURUS April 21 - May 21....** This month you'll be feeling cool, confident and ready for anything. This is just as well, because you are going to lose your pocket-money, stub your toe

and find a creepy-crawly in your sock.

**GEMINI May 22 - June 21....** If people start referring to you as the toast of the town, its not because you've suddenly become very popular-you've just been sitting in the sun to long! You've been warned.

**CANCER June 22 - July 23....** People think of you the way they think of the sea. It's not that you are wild, reckless and romantic - You just make them sick.

**LEO July 24 - August 23....** Healthy eating is a must for this month. Give up guzzling doughnuts and you'll feel a hole lot better.

## QUESTIONNAIRE RESULTS

In amongst the packed pages of issue 2 was a short questionnaire. As no prize was offered and it was specifically asked for all questionnaires to be completed and returned, I was quite pleased to receive just under half (7) back. Here are some of the results, although there is not room for every little detail.

### **Q1. HOW WOULD YOU RATE K.M.?**

Well we got a few answers to this one including 4/5, two 9/10's two goods a very good and an O.K. From this I can tell that some of you think the magazine could be better.

### **Q2. IS THERE ANY OTHER ARTICLES YOU WOULD LIKE TO SEE IN K.M.**

Well according to you, lots, here and they are lots more competitions; that ones sorted - just look at your free gift!, better and more cartoons; What do you think of this issues?, letters; well-its up to you to send them in! How do you make things to do with nightmare; that's one of next issues articles, Lissards/Majidas horoscopes; see the new article in this issue, a puzzle page; yet again another one solved- What do you think of Pickles puzzles?, a page with Nightmare characters, pictures and features; aren't the profiles good enough for you? And finally, jokes other than Nightmare ones; I'll see what I can do about that one- but for now you send some in to start us off!

### **Q3. WOULD YOU LIKE MEMBERSHIP CARDS?**

This one gave a definite answer YES!!! Look out for it in issue 4 of K.M. (Vol 2 Issue 3).

### **Q4. WOULD YOU LIKE A MEMBERSHIP PACK?**

Another definite YES!!! , details in issue 4 of K.M. (Vol 2 Issue3).

### **Q5. WHAT WOULD YOU EXPECT IN YOUR MEMBERSHIP PACK?**

Here are some of the answers: a short book, posters, rubber and sharpener, chocs, other

stationary, bookmarks, leaflets, sweets and membership cards. You'll get your membership card in issue 4 or Vol 2 Issue 3 not in the membership pack and don't people like badges, stickers, signed autographs of Knightmare characters anymore?

**Q6 - 7. WOULD YOU MIND PAYING FOR K.M. AND HOW MUCH?**

Only 5 of the 7 want to pay for K.M. and they would pay either 10p, 20p 25p or 40p if they paid at all while others just said 'not much'.

**Q8. WOULD YOU PREFER TO PAY TO BE A MEMBER?**

2 of the 7 wanted to pay to be a member!

**Q9. YOUR OPINION ON QUESTIONS 6-8 INC.?**

Some people just left the space empty where as others said things like: Don't like the idea of paying, they prefer too pay about 40p to be a member and not to pay for each issue, and someone said if the mag had more pages they'd pay up to 40p because the mag is great and the photo copiing must cost me. I'll let you into a little secret, it doesn't.

**Q10. WOULD YOU LIKE TO OWN KNIGHTMARE ON VIDEO?**

Only 1 of the 7 said yes. Due to this the Knightmare on video article has been postponed till a later issue, but this issue is still as good if not better.

Well thanks for taking up your time on the questionnaire. By the way I have awarded a prize for the best questionnaire to Antony Venet, even though originally no prize was offered.

## The Great Story Strip

In Knightmare Castle, Treguard and Majida are spying on Lord Fear only to find he has bigger and badder enemies (Including 'Bones' and 'Kersplat').

Treguard tells Majida to hurry up and get the first dungeoneer of the quest season.

Majida picks up the staff and rushes to the door where she cracks the staff into the door and cries "Enter Stranger". There is a flash of blue light and 4 boys enter.

The dungeoneer is called Dave and his guiders are Ben, Nathan and Paul.

Dave is equipped with the Knapsack, Eye shield, reach wand and finally the helmet.

The gate is opening, the visor closing. Treguard tells Dave his quest is for the crown.

Dave enters the dungeon and finds out he is in a sewer pipe, as he moves forward, he is greeted by a mysterious monk.
